About the Perth & Smiths Falls District Hospital Foundation:

The Perth & Smiths Falls District Hospital Foundation is the proud fundraising partner of the Perth and Smiths Falls District Hospital. Our mission is to work with our community to raise and steward funds for projects and services for health care at our hospital.

The Perth & Smiths Falls District Hospital services not just the communities of Perth and Smiths Falls, but the surrounding smaller communities, which when combined makes up a population of approximately sixty-six thousand residents.

Our organization is solely funded based on donations from within the community, such as individuals, service clubs, businesses, and organizations. Donations received are used to purchase capital equipment and to upgrade facilities, they are not directed towards the Hospital nor the Foundation's operational costs.
