

PSFDH Foundation Charity Gala

Black Tie Bingo

SPONSORSHIP PACKAGE

Date: **Saturday, November 15th, 2025**

Time: **Cocktail Hour at 5:30pm**, dinner and bingo to follow (Formal Attire)

Location: **Codes Mill on the Park** 17 Wilson St E, Perth ON K7H 1L3

Join us for an elegant night out in support of a vital cause. All proceeds from our Black-Tie Bingo Charity Gala will contribute to the MRI Campaign.

The Perth & Smiths Falls District Hospital Foundation (PSFDH Foundation) is entering the final stretch of its ambitious \$6.1 million, 3-year campaign to fund MRI technology in our community.

The Ontario Government does **NOT** fund essential medical equipment, such as MRI machines. It's only through the generosity of donors that this critical service is accessible to patients at our local hospital.

Magnetic Resonance Imaging (MRI) is a key diagnostic tool that creates highly detailed, 3D images of the body's internal structures using magnetic fields and radio waves. It is invaluable for early diagnosis and ongoing monitoring of a wide range of health conditions where other tests may fall short.

In February 2025, PSFDH introduced breast MRI imaging, a major step forward in our diagnostic services. This addition offers vital support for patients needing further assessment following mammograms or ultrasounds, improving outcomes through earlier and more precise detection.

DEADLINE FOR SPONSORSHIP

To ensure your organization is recognized at the appropriate sponsorship level, please submit your sponsorship commitment and payment by: **Wednesday, October 8th, 2025, at 12:00 PM**

About the Perth & Smiths Falls District Hospital Foundation:

The Perth & Smiths Falls District Hospital Foundation is the proud fundraising partner of the Perth and Smiths Falls District Hospital. Our mission is to work with our community to raise and steward funds for projects and services for health care at our hospital.

The Perth and Smiths Falls District Hospital services not just the communities of Perth and Smiths Falls, but the surrounding smaller communities, which when combined makes up a population of approximately sixty-six thousand residents.

Our organization is funded based on donations from within the community, such as individuals, service clubs, businesses, and organizations. Donations received are used to purchase capital equipment and to upgrade facilities, they are not directed towards the Hospital nor the Foundation's operational costs.
