Why Sponsor a Tree?

Sponsoring a tree is more than decorating, it's an opportunity to celebrate community, showcase your business, and support local healthcare.

As a Tree Sponsor, you will:

- Showcase your business with signage displayed with your tree at the event
- Gain valuable exposure through recognition on social media, our website, and email campaigns
- Connect with the community in a fun and festive way
- Support the purchase of vital hospital equipment that helps ensure care close to home

We also encourage sponsors to share their tree and participation through their own social media channels. The more excitement we create together, the more support we can generate for our local hospital!

Your Tree, Your Theme

As a sponsor you get to choose a unique tree theme displayed with your company name on the raffle box. The only limit is your imagination!

Examples of themes / prizes:

- Gift cards galore
- Toy wonderland
- Gourmet food & drink
- Sports or hobby-themed trees

Tip: The more creative and valuable your tree, the more attention and raffle tickets it attracts.

Be sure to highlight your tree on social media and tag the Perth and Smiths Falls District Hospital Foundation.
